

CAREER PROFESSOR

THE APP FOR GLOBAL EMPLOYABILITY

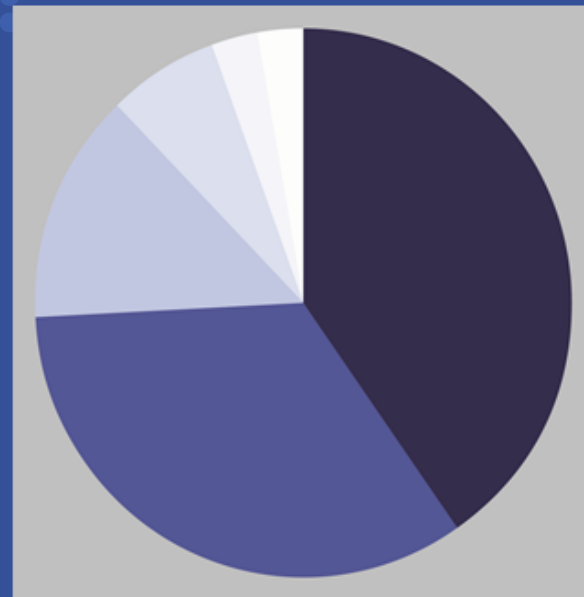

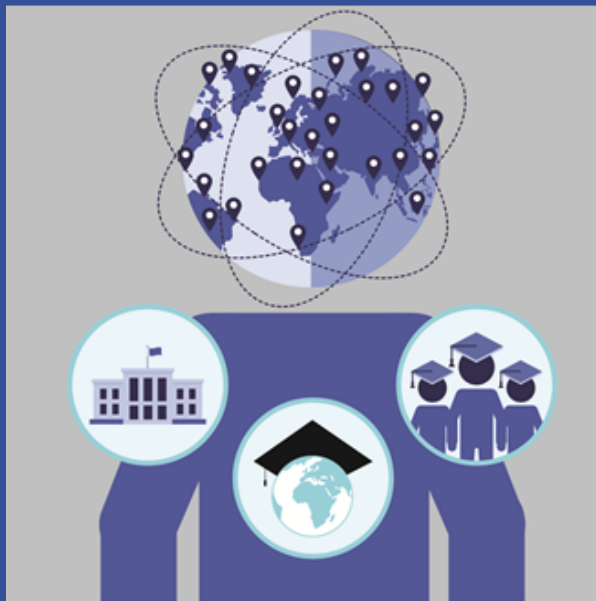

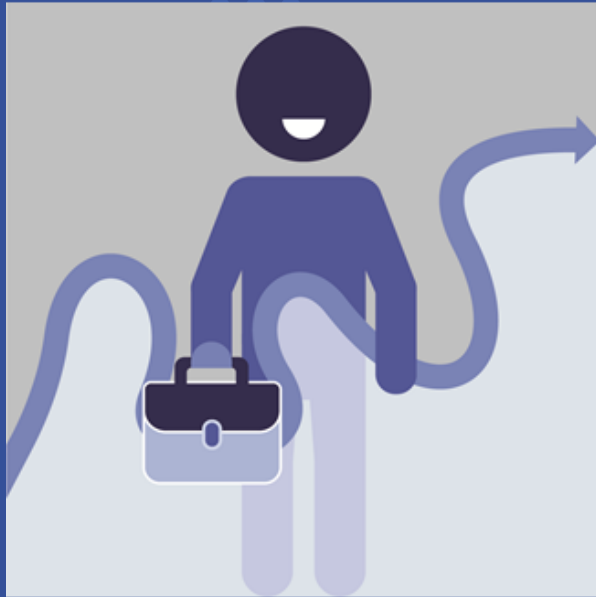

DISCOVER CAREERPROFESSOR.WORKS

[CareerProfessor.works](#) cannot replace a study or a placement abroad, but it provides a scalable and sustainable solution to reap the benefits of internationalisation for a wide group of students. CareerProfessor is an employability app & website designed for higher education students, recent graduates and alumni, customised specifically to each university, supporting job hunting across the globe.

More than just an app! It boosts students' global [employability](#) as it offers global careers advice, trains intercultural skills using a gamified learning approach and enhances the connection between [students & alumni](#) with a real-time world map and the newly added 'Ask Me!' forum. Keep reading to find out more...

CHOOSE YOUR EMPLOYABILITY SOLUTION

The Core of CareerProfessor.works is a Gamified Global Careers App & a platform with curated Employability & Business Culture Information for more than 40 countries! || [Discover the Core module »](#)

Institutions can build on their CareerProfessor platform by adding one or more of the following add-ons:

- A tab with fundamental Careers Advice | [Discover the Career module »](#)
- A Community platform with a forum | [Discover the Community module »](#)
- Reports with Employability Data | [Discover the Coverage module »](#)

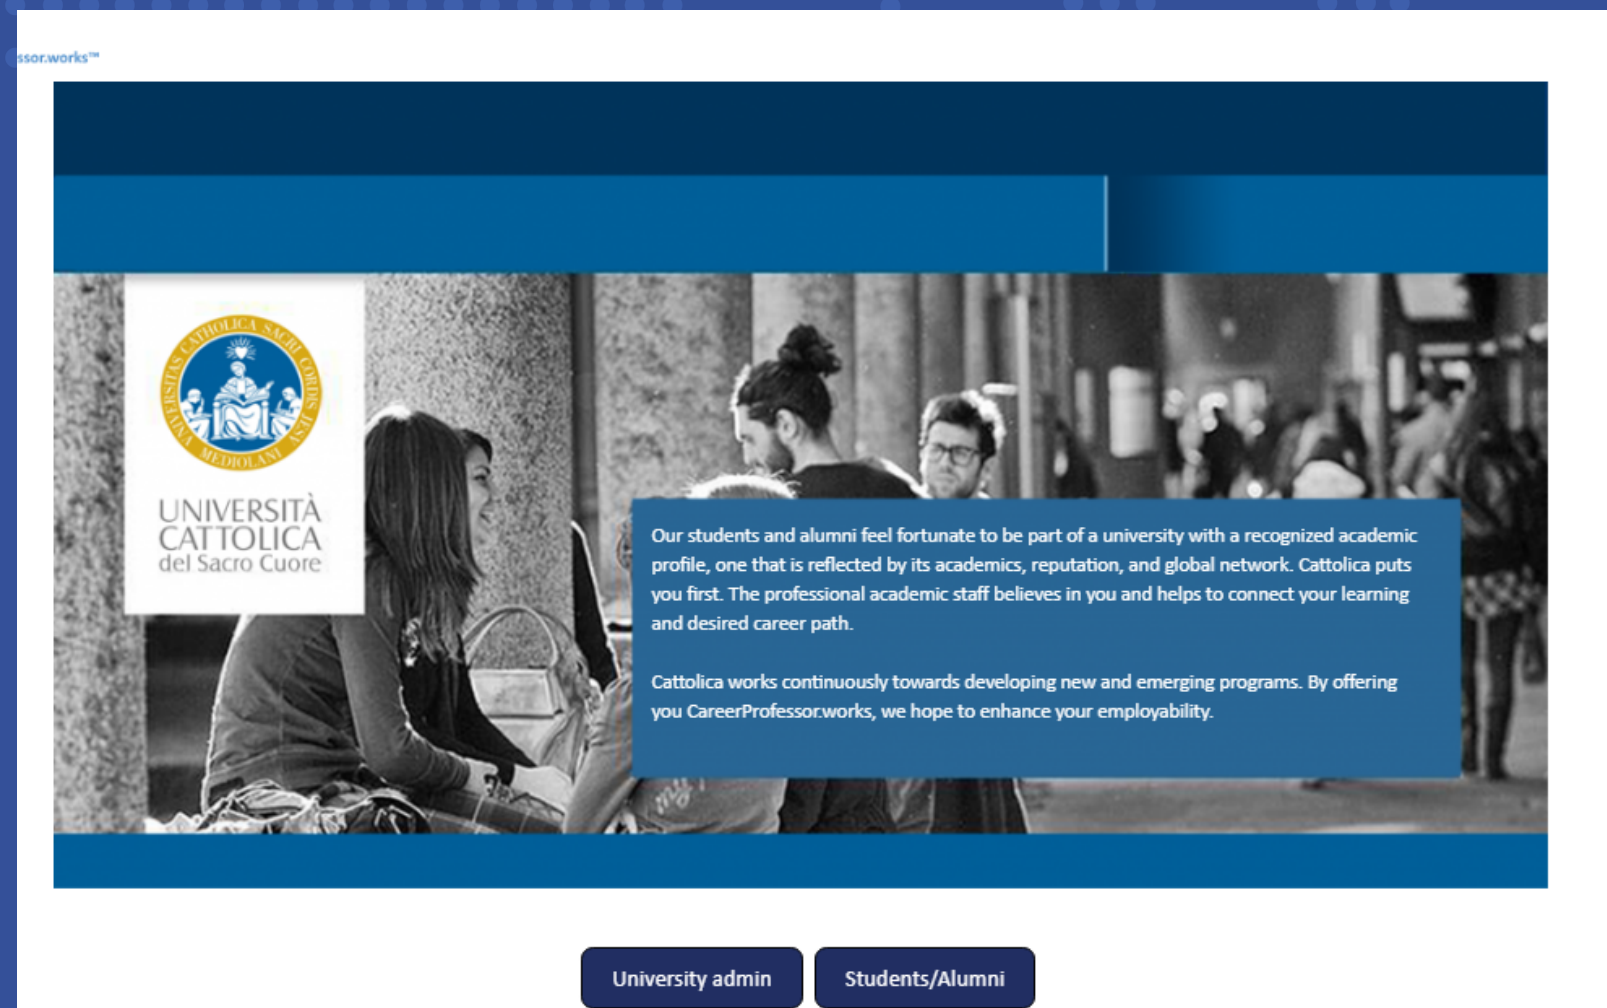

INTRODUCING THE 'ASK ME!' EMPLOYABILITY FORUM

Say hello to CareerProfessor's latest addition: the 'Ask me!' employability forum! Together with the real-time world map, the 'Ask Me' forum strengthens CareerProfessor's Community Module, offering students & alumni the opportunity to ask questions, provide answers and vote the best responses to global careers & employability topics on a moderated platform.

Wherever your students & alumni are in the world, CareerProfessor now gives them the chance to connect with each other and get quality answers to questions around job hunting, social interactions and doing business abroad.

ONE INVITATION... LOTS OF POSSIBILITIES!

The CareerProfessor app is an informative and fun game that will help you learn about cultural differences in doing business, social interactions and job hunting in a global environment. This can be one of the first steps to prepare for your study or work abroad!

There is not just one way to use CareerProfessor! Different institutions choose various ways to incorporate CP in their employability & [global career activities](#).

CAREERPROFESSOR FOR OUTBOUND STUDENTS

Providing outgoing students with necessary tools prior to their departure to make the most out of their international experience, such as access to the work-place related country information and the gamified intercultural training tool to facilitate integrating into a host country, training their employability skills on-the-go.

CAREERPROFESSOR FOR INBOUND STUDENTS

Combining the Core and Community modules, giving inbound students access to the intercultural training game, the country-specific information and the forum to ensure that this group of students is 'labour market ready', whether they are interested in a global career, they plan on securing a position in the host country or want to return to their home country.

CAREERPROFESSOR & MOBILITY ACTIVITIES

Students who want to go abroad and participate in one of the study abroad events or mobility preparation courses have the opportunity to play the CP game, train their intercultural skills and compete with their peers. The CP leader-board feature opens up opportunities for competitions with career-related prizes and for additional marketing activities.

STAY TUNED...

CareerProfessor updates are coming soon with:

- >> New country profiles
- >> New questions on the app
